

Willem Dukes

Harrisonburg, VA

(251) 545-0629 | willemdukes@gmail.com | Github Portfolio

Education

James Madison University, Harrisonburg VA
Junior, ISAT Major (Integrated Science and Technology)

August 2024 -- Present

GPA: 3.158

Dean's List: Fall Semester 2025 & Spring Semester 2026

Expected Graduation -- May 2028

Skills

- Red Cross Lifeguard and CPR/AED certified, and a Certified Pool Operator (CPO)
- Certified and proficient in Solid Edge and Autodesk Inventor
- Certified and proficient in Stella Architect
- Intermediate in Python, R, and HTML coding
- Eagle Scout leadership experience through planning and executing a large-scale service project

Experience

Pool Operator, Reston Association
Reston, VA

May 2025 -- Aug 2026

- Monitored and maintained pool water quality (chemical levels, pH, chlorine)
- Operated and inspected filtration and circulation systems
- Communicated with health inspectors during routine inspections

Lifeguard, Reston Association
Reston, VA

June 2020 -- Aug 2026

- Guarded across five consecutive summers, returning each season
- Monitored the pool area to ensure swimmer safety
- Created a safe and welcoming swimming environment for guests each day
- Maintained a clean pool and restroom environment

Projects

AI Job Application Workflow

August 2026

- Built an AI job application workflow using Claude Code, Playwright, Node, and Python. It connects to any LLM, scrapes for job posts and applies to them. Then, it scrapes for hiring recruiters, generates cover letters from a template, and drafts emails to each person with resume and custom cover letter attached.

Stella Architect Infectious Disease Model

December 2025

- Built a system dynamics disease spread model using an extended SEIR framework, incorporating vaccination, social distancing, and quarantine interventions to evaluate health and economic impacts. [View Project](#)

Eagle Scout Service Project, South Alabama Land Trust
Fairhope, AL

August 2022 -- May 2023

- Designed and installed a permanent educational trail signage system at Fish River Nature Preserve, using GIS mapping and volunteer coordination to improve visitor navigation and ecological awareness. [View Project](#)

Campus Involvement

Member, Epsilon Nu Tau

August 2025 -- Present

- Active member of a business fraternity, participating in professional development, networking opportunities, and philanthropy initiatives
